

## Silent Night, Holy Night (Boilers Break)

Silent night, holy night  
Boilers break, to our fright  
round your wrenches, hammers and screws  
though 3 am we have work to do  
why can't you let us beeeee?  
Why can't you let us be?

Silent night, holy night  
Shepherds quake at the sight  
Water creeping all over the floor  
John is crying "how can there be more"  
The bill to fix it is nigh  
The boiler has to die

Silent night, holy night  
From afar, I sent my light  
in the form of verses for you  
so that you can do what you need to do  
I only wish things go well  
That boiler can goooo to....
