Where's the news?
Do we choose?
What's a fact?
Do we act?

Keep me near
Calm the fear
You'll survive
We'll revive

We can find
Peace of mind
Just breath deep
It'll keep

Give a sign
We'll be fine
Have no doubt
Wait it out

Where's the news?
Do we choose?
What's a fact?
Do we act?
