

## Don't Let Go

Hold on  
don't let go  
we can watch the garden grow  
from seeds into dreams  
things are better than they seem

Hold on  
don't look back  
you just can't undo all that  
mem'ries we may need  
tomorrow is the life we lead

so breath deep  
smile slow  
don't let go
