RE: Corporate Event Reference

Dear Eddie,

On behalf of SoCal Office Technologies Senior Management Team, I would like to personally thank you and your group for performing at our 2011 Annual Company Kick-Off event. This event has held on January 17, 2011 at "The Grove of Anaheim".

SoCal Office Technologies is a Wholly Owned Subsidiary of Xerox Corporation with 6 locations in Southern California. Our Annual Awards event plays host to 300 Employees and for the 3<sup>rd</sup> year was held at the amazing Grove of Anaheim. This year, we wanted to spice things up and create some excitement going into 2011. As the VP of Sales & Marketing I know how important it is to create an atmosphere where employee bond to your company and create lasting memories...

Hiring the "Deloreans Band" for the Entertainment at this year's event was a huge Success! I can not tell you how many employees came up to me and said "That Band is Great!", "What a great idea, this is so much fun!"

The Deloreans fun mix of 80's and 90's hits had everyone up and dancing and having fun. I would recommend them to any Company looking for a great way to energize their workforce.

Eddie and the Group, we can't wait to have you play at one of our next events later this year!

Sincerely,

Brenda M. Merrill  
VP of Sales & Marketing  
SoCal Office Technologies, A Xerox Company
