

*80's to today Party Music*

**Model Behavior** is an engaging cover band that plays high-energy party music centered in pop, rock, and dance music from the 80s with some of today's hits included.

Our music brings upbeat songs that people know, sing, and dance to. Our style and energy drives audience participation and fun into our performances. Perfect for any festival, bar, company event, charity event, wedding, or private party.
