Testimonials

“One of the best kept secrets in Local Bands. Had no idea there was an act like this anywhere in Northern California. These guys are not only capturing the sound of the Grateful Dead but also the spirit of the style fans of the original can appreciate and truly enjoy.” – Michael Mason

“Very talented group of musicians! They are professional and play amazing live music. I absolutely love this band and love having them play at our bar.” – Jillian Simon

You guys are awesome!!!! – Alyssa McElwain-Haag

“You guys rocked it” – Dennis Devencenzi

Nipper Brothers is a Sacramento-based band that plays music from the Grateful Dead along with "Dead-friendly" material from J. J. Cale, Van Morrison, John Hiatt, Railroad Earth and many others. Their focus is on delivering strong vocal harmonies with textured instrumentals in the context of great songs.
