

THE ALTER EAGLES: TAKING IT TO THE LIMIT!!

The Alter Eagles are by far the most authentic representation of The Eagles in their prime in the world! Any fan of the Eagles music will recognize the subtle complexities of instruments and vocals paired with exacting harmonies when attending an Alter Eagles event. And unlike other top touring tributes to the Eagles the entire show is sung live with no backing vocal tracks....EVER!

The members of Alter Eagles came together for love of the Eagles music. They are professional touring musicians who were eager to pool their talents to provide the most accurate and engaging live recreation of the Eagles music possible. All the Eagles classics from "Their Greatest Hits" album like Take It Easy, Desperado and One of these Nights, as well as songs from the newer albums and solo careers such as Heartache Tonight and of course Hotel California are just a few in their repertoire.
