

The logo for 'Alter Eagles' features the word 'ALTER' in a simple, bold, sans-serif font at the top. Below it, the word 'EAGLES' is rendered in a large, stylized, black-and-white graphic font. The letters are thick and blocky, with sharp, jagged edges that resemble lightning bolts or the wings of an eagle. The 'A' and 'E' are particularly prominent, with long, sweeping tails. Below the graphic, the text 'THE DEFINITIVE EAGLES TRIBUTE BAND' is written in a bold, black, sans-serif font.

THE DEFINITIVE EAGLES TRIBUTE BAND

For a decade, The Alter Eagles have been astonishing audiences across the United States with their inspiring tribute to the number one selling band of all time in North America. Having performed over 1000 shows, making them one of the most prolific tribute acts today, Alter Eagles is comprised of 6 versatile vocalists who each play multiple instruments during the show. Whether it's an outdoor show with 20,000 singing fans or an intimate venue with 100 "Friends of the Band" Alter Eagles make every performance exciting and memorable.

Quite simply, we are huge fans of the Eagles and the music they created over the course of their careers. The Eagles are also, in our estimation, the most successful and compelling US musical group of all time. Timeless lyrics coupled with the deep tapestry of vocals, intricate instrumental arrangements and unmistakable guitar riffs continue to make the Eagles as relevant and powerful today as they have been for decades.

Were you aware that:

- The Eagles "Their Greatest Hits (1971-1975)" is the number 1 selling album of all time in North America.
- 3 months after initial release as a single in 1977 "Hotel California" was certified by RIAA for 1,000,000 records shipped.
- In 2009, the song was again certified Platinum by the RIAA for sales of 1,000,000 digital downloads.

The Alter Eagles play all of the Eagles classics, as well as songs from the newer albums and solo careers. Desperado, 7 Bridges Road, Heartache Tonight, One of these Nights and of course Hotel California (which boasts Rolling Stones 8th greatest guitar solo ever) are just a few in their repertoire.

Any fan of the Eagles music will recognize the subtle complexities of instruments and vocals paired with exacting harmonies when attending an Alter Eagles event. We hope to perform the music at our best and for you to hear it LIVE as it was intended to be.
