

MEMORIAL WALL OF HONOR

...in whatever way our recollections may be dimmed by the passing of time or by our acquaintance with new objects and interests, the memory of a horse's head, when it has been loved in life, will never somehow, be erased. FRANK CREW

Everyone needs to know what a great animal you had!

For your \$60.00 donation to the New York State Horse Breeders Show you will receive a 2'x2' coroplast sign with a picture of the animal or person you are creating a tribute to, their name, your name and their birth /death date beneath. This picture will be hung in a prominent place at the NYS Breeders Show for the 2 week duration of the show for all to see. When the show is over you may pick up your tribute and take it home to keep.

Create a tribute to a horse, pet or person by going to nyshba.org or our Facebook page. Print off the memorial form. Fill it out and send it to Kim Connors or Ginny Wickham Brown with your check for \$60.00 made out to NYSHBA. You are responsible to supply photo and information.
