Song lyrics **VOICE IN THE ATTIC – Biz**

(Verse)

After having sex we shook hands

Great doing business with you

I felt like a prostitute

(Chorus)

Where are you going

What is your game

Do you play for the wounded, the cripple, the lame

What is your game

(Verse)

You broke up with me in a WhatsApp chat

How did we ever end up like that

(Chorus)

Where are you going

What is your game

Does tomorrow begin when you write down your name

What is your game

(Bridge)

What is your game

(Verse)

So neoliberalism has won

I'm busking for a coin in the belly of the beast

All my clearer thoughts have long gone

I'm just hanging on to the vestige of a dream

(Chorus)

Where are you going

What is your game

Do you play for the future, the present, the stain

What is your game

(Verse/Outro)

Great doing business with you

Great doing biz
