

Love Rings Out

© Kate Callahan 2016

When we do good, and great and right
Love rings out

When we do wrong and make it right
Love rings out

With gifts of hate and consequence
Somebody made to shake us out of safety nets
And bring out the brave
(It brought us out)

When there's a question in the air
Love rings out

When people find themselves in prayer
Love rings out

We make change, go door to door
And somebody says, if we're not loving, what's if for
Love is the thread

And the rockets red glare
The bombs bursting in air
Gave proof through the night
That love would appear

When we become a conscious nation
Love rings out

When we accept the invitation
Love rings out

When people ask to be respected
Love rings out

When kindness shines and it's reflected
Love rings out

For the land of the free
And the home of the brave
