## LYRICS

*Go ahead, stand up, don't be afraid of the Spaceman  
Go ahead, stand up, don't be afraid of the Spaceman  
He is here for you, he is you giving you the go ahead  
Go ahead, stand up, don't be afraid of the Spaceman*

*Nobody's gonna give you the go ahead. You got to give yourself the go ahead  
Nobody's gonna give you the go ahead. You got to give yourself the go ahead*

*Go ahead, stand up, don't be afraid of the Spaceman  
Go ahead, stand up don't be afraid of the Spaceman  
He is here, for you, he is you, giving you the go ahead*

*Time Time, Time Time, Time Time, Time Time  
Turn to your self. Turn to your self.*

*Nobody's gonna give you the go ahead. You got to give yourself the go ahead  
Nobody's gonna give you the go ahead. You got to give yourself the go ahead*

*Go ahead, stand up, don't be afraid of the Spaceman  
He is here, for you, he is you, giving you the go ahead  
Go ahead, stand up, don't be afraid...*
