

PETRAVITA TECH RIDER

Want to book Petravita? No problem!

I keep my requirements simple:

- One 3.5mm input for an iPad or laptop to connect to your PA system for instrumental playback.
- One live performance mic. Don't have one? No problem, I'll bring my own Shure PG58 dynamic performance mic; just provide an XLR cable of adequate length!

That's it! If you have any questions prior to a show/event, please reach out via PetravitaOfficial@gmail.com
