

LUCK BE A LADY

(Alex): They call you Lady Luck, but there is room for doubt
At times you have a very unladylike way of running out.

(Joey): You're on a date with me; the pickings have been lush,
And yet before the evening is over you might give me the brush.

(Alex & Joey): You might forget your manners, you might refuse to stay,
And so the best that I can do is pray.

All: Luck be a lady tonight, Luck be a lady tonight.

Luck if you've ever been a lady to begin with, Luck be a lady tonight.

Luck let a gentleman see

How nice a dame you can be.

I know the way you've treated other guys you've been with

Luck be a lady with me.

A lady doesn't leave her escort; it isn't fair, it isn't nice.

A lady doesn't wander all over the room and

Blow on some other guy's dice.

So let's keep the party polite.

Never get out of my sight.

Stick with me baby I'm the fellow you came in with,

Luck be a lady tonight.

A lady doesn't leave her escort; it isn't fair, it isn't nice.

A lady doesn't wander all over the room and

Blow on some other guy's dice.

So let's keep the party polite.

Never get out of my sight.

Stick with me baby I'm the fellow you came in with,

Luck be a lady, Luck be a lady,

Comin' out, comin' out, comin' out right! Hah!
