

FATHER TO SON

WORDS OF WISDOM EVERY SON SHOULD CONSIDER

Eric Willis addresses a wide variety of topics that boys and young men will assuredly face in their lifetime.

With the voice of a caring father this book offers:

- Knowledge about finance, love, travel, education, tenacity, business...
- Counsel and philosophical approaches to assist sons with their thinking, planning and actions
- Discusses circumstances that sons should avoid and offers thoughtful guidance on how to navigate around trouble
- Extends wisdom and advice that older men wish they had in their youth

READ THIS BOOK IF...

- You want advice that will change your life
- You've never had a father's loving voice to guide you
- You want to know how to employ logic and good judgement
- You want to point yourself in the right direction
- You want to help someone who needs this insight

TESTIMONIALS

“Since my father never spent any significant time with me, I had lots of unanswered questions about life. *Father to Son* answers those questions and speaks in a way that will enhance every man.”

—QUINTINE PERRY, HUMAN RESOURCE OFFICER

“Sharon and I are fully engaged parents who keep very active schedules of our own. As a touring musician, I must find creative ways to collaborate with my wife to guide our sons. We can only imagine what their lives would be like without a voice to lead them. For those who lack this guidance, *Father to Son* is an immensely valuable book. “

—THOMAS BRAXTON - RECORDING ARTIST, SHARON BRAXTON - VOICE ACTOR

“Because there is a direct correlation between an absent father and academic efficiency, our young men are struggling. *Father to Son* provides the instruction of a caring mentor who wants his sons to succeed.”

—JAMES CHARLES, ASSISTANT SUPERINTENDENT TERREBONNE PARISH SCHOOLS
