

To Worship You - Tim Ball (as recorded by Toronto Mass Choir)

You formed me out of the clay
Not just to live for myself day to day
To bring You worship and praise
This is the reason that I was made

CHORUS:

I was made to worship You
In everything that I do
I was made to worship You
No matter what, I'm going through
I was made to worship You
In spite of what I feel to do
I was made to worship You
So this is what I'm gonna do...
I'm gonna worship You!

Instrumental Break (modulation)

(REPEAT ALL)

MUSICAL INTERLUDE

VAMP 1:

To You
And only You
Our praises belong to You

And only You
Our praises belong to You

VAMP 2:

To You, To You, To You, To You
To You, To You, To You...
