

Pusher Man

It's late at night and you're alone
Find yourself reaching for the phone
You'll be crawling on your knees
Cuz I got jut what you need
I don't think you understand
I want to be your pusher man

I want to be the one you call when you climb up the walls
I want to hear you say my name when your hands start to shake
I want to see you come my way at the end of the day
Cuz I got the fix that you need and that thing that you crave
I don't think you understand
I want to be your pusher man

Hear you been looking for me
Show where you're thinking I'll be
You're trying to play it cool
You're falling all over me
I don't think you understand
I want to be your Pusher Man

I want to be the one you call when you climb up the walls
I want to hear you say my name when your hands start to shake
I want to see you come my way at the end of the day
Cuz I got the fix that you need and that thing that you crave
I don't think you understand
You've got yourself a Pusher Man

Took 100 days before I finally got you
Take 100 more for you to get away
You couldn't shake me even if you want to
Let's be honest I had you form the very first taste
