*Fucker, pig fucker
Fucker, pig fucker
Filthy hetero stink shit!*

(chant)

You drag me across your open wound
I am on my last limb, I'm on my last limb
Stuck in the mainstream pseudo dude
You are on your last limb, you're on your last limb
The day I die will mean nothing to you
The Days of Swine and Roses

Your mind's diseased with perverted justice
I am on my last limb, I'm on my last limb
The nameless horror we call call
I was only laughing, ha! I was laughing
Xian zombie vampyres
I am the father, the father of nothing
Xian zombie vampyres
I am the father, the father of nothing
Today I die because of you
The Days of Swine and Roses

*Fucker, pig fucker
(chant)*

You drag me across your open wound
I am on my last limb, I'm on my last limb
Stuck in the mainstream pseudo dude
I am only laughing, Ha! I am only laughing
Xian zombie vampyres
I am the father, the father of nothing
Xian zombie vampyres
I am the father, the father of nothing
(love, love)
The day I die because of you
The Days of Swine and Roses

The Days of Swine and Roses

Xian zombie vampyres

I am the father, the father of nothing...

Swine and Roses...

The Days of Swine and Roses

Love!

That's beautiful
