Lookin' for a way in, searchin' for a way out  
Angels ride free in your mind  
But you're never gonna find it, if you're never gonna try  
Get your eyes on the road and suck the wild  
Hey man, get hip!  
Climb aboard our pleasure ship  
Speed boy, we know you're king of the wheel,  
Yeah, go man go!

Go Apollo 69!  
Rocket baby, walk the line  
Feed my fire, now's the time  
Fly Apollo 69, yeah yeah!

Driftin' like a stoned dog, sister rebel outlaw  
Agent for a vacant world  
Livin' in the shame club, workin' for that same love  
Shake it while you can, sunset girl  
Big man, so wild!  
Tune into our groovy style  
Freakout! Freak this!  
Ride upon erotic bliss

You're king of the wheel, you're king of the wheel  
You're king of the wheel, yeah, go man go!
