I, I can say that I have experienced a real closeness with someone, uh, while under the influence of drugs. But it, it's very difficult for me to explain because it wasn't real. 'Cause the minute that I, that I, I was no longer high, there was no relationship there... at all!

That's how we do it!

Does it feel good when I look in your eyes?
Does it feel good when I feel up your thighs?
Does it feel good when I slip it inside?
Does it feel good... Real good?

Jet Set Sex
Let's have sex
Sexy sex
Red hot sex!

Does it feel good? Jet Set Sex (jet set sex).
Does it feel good? Let's have sex (hot, hot sex)
Does it feel good? Sexy sex (sexy sex)
Does it feel good? Sex! Sex! Sex! Oh yeah...

Jet Set - Jet Set Sex... The high society twist
That's how we do it!
Jet Set - Jet Set baby c'mon - Jet Set Sex...
The high society, the high society twist

Does it feel good when I'm huggin' ya tight?
Does it feel good when I kiss ya tonight?
Does it feel good when you're suckin' my lips?
Does it feel good when you're squeezin' my hips?
Does it feel good when I look in your eyes?
Does it feel good when ya kiss me tonight?
Does it feel good when I feel up your thighs?
Does it feel good when I slip it inside?
Does it feel good when you're suckin' my lips?
Does it feel good when I'm squeezin' your hips?
Does it feel good when I'm movin' that ass?

Does it feel good? Oh yeah... Jet Set - Jet Set Sex...

Let's have sex - Red hot sex... (applause)

Nobody knows the troubles I've seen

Nobody knows my sorrow

Nobody knows the troubles I've seen

Glory Hallelujah!
