*Is God in show business too?*

Don't ever trust the words of a stranger  
You never know, he might be a killer  
Without a second thought, he'd suck you in  
Blood money, smack attack confessions  
I've got a crime for all seasons  
Without a second thought, he'll suck you in  
uh-huh, uh-huh

*I wish you'd tell me what you're talking about  
You think you're big? You're not so big!*

They'll try to convince you  
Deceive and persuade you  
But all that they offer are Lucifer's flowers  
They'll rape and sedate you  
With words suffocate you  
But all that they offer are Lucifer's flowers  
They'll trick you, they'll twist you  
Believe they can save you  
But all that they offer are Lucifer's flowers  
The psychotic angels grow Lucifer's flowers  
Lucifer's flowers  
Lucifer's flowers

*Is God in show business too?*
