Burn, to the point of no return
Burn, squirm in the fire like an insect
Burn (burn!)
Slinkin' down the drain
Say what you say
We never listen anyway...

Mama Cool, I am 3-D voodoo charmer
Take my hand
We are free!

Music was playin' too fast
Jazzed up with another sex

Burn
Dreams of the flesh and the Ultimate Nude

It's not getting easier
You drive like a fish out of water
Gone for good

You're just our movie toy
Burn...
