You think you can please me? It takes a lot to pleasure me

*Laugh*

If I give you some money, will you come to my room?

*Laugh*

I've got a room on the Moon, and I'm blastin' off soon

*Oh wow*

Will my fantasy come true if I pray to you?

*Laugh*

Oh wow, you don't mean it

Let me see what you've got

Show me big daddy!

Cash is a sweet thing

Show me big daddy!

Kinda like you

Let me see what you've got

It takes a lot to pleasure me

I can buy your love sweetheart

How much for the night?

I can buy your love sweetheart

Your body's my vice

If I give you some money, will you come to my room?

*Laugh*

I've got a room on the Moon, and I'm blastin' off soon

*Oh wow*

The west side of Venus has sextacular views

*Laugh*

Kinda like you
