Black magic panther always gets what she's after  
She's a blonde with lobotomy eyes  
Look at all you've got with your pretty candy kisses  
She's a blonde with lobotomy eyes

Just a whore in Paradise  
Just a whore in Paradise  
She's a blonde with lobotomy eyes  
She's a blonde with lobotomy eyes

Push it to the limit, baby downtown girl  
She's a blonde with lobotomy eyes  
Too much information's penetrating her world  
She's a blonde with lobotomy eyes

Black magic panther always gets what she's after  
Look at all you've got with your pretty candy kisses  
Push it to the limit, baby downtown girl  
Push it to the limit, baby downtown girl  
Push it to the limit, push it, push it to the limit  
She's a blonde with lobotomy eyes
