

NEON DIVA

Written by Buzz McCoy & Groovie Mann

Published by SleazeBox Music / BMI

Vocals - Groovie Mann, Arena rock

Keys & Programming - Buzz McCoy

Another name, another face
Another night to hunt and chase

Neon diva, you know who you are
Midnight temptress demon star

I know I know you
You know I know
You're that Woman from Nowhere

Latex lover masquerade
The shameful world disintegrates

Neon diva, you know who you are
Midnight temptress demon star

I know I know you
You know I know
You're that Woman from Nowhere
