Go back, back in time

Let's get in a time machine

And go way, way back...

I will rock, I will rock your body

Rock your body to the rhythm of a disco beat

Can't you feel it gettin' crazy

Turn the heat up disco baby

Can't you feel it gettin' crazy

Turn the heat up disco baby

Satisfy me, satisfy me

More, more, more!

Yeah, she's so sexy

Satisfy me, satisfy me

More, more, more!

Disco, disco baby, disco

Yeah, she's so sexy!

Turn the heat up

Turn the heat up disco baby
