and people are saying you better watch out before it's too late*

Time to go to a heavy place, to a heavy place

We can feel the pulse of time  
Naked in the wake of lies that suffocate and blind  
We may burn, but we will shine  
Let's strip away the nausea and rise above the night

Blow your sweet drug my way  
Psychomatic baby  
Blow your sweet drug my way, my way, oh  
Psychomatic baby, baby, baby!

Time to go to a heavy place and once we're there  
We're gonna let our hair down baby  
Bite the vein, feed the line  
Sit back and watch the world go crazy

Gotta get out, gotta get, gotta gotta get  
Gotta get out, gotta get out from  
Gotta get out, gotta get, gotta gotta get  
Gotta get out from under the gun

*Can you count the times in between  
And just let everything else go  
I mean, just let everything go  
Sometimes? Ever?  
Okay, bye...*
