Keys & Programming - Buzz McCoy, Groovie Mann

Waiting for you Mommie Mommie

I hear her

She's calling me to her

I belong to her

I've belonged to her and I didn't know it

I'm but a pawn pulled along her favorite eddy's every which way

May life bless you

Good-bye daughter

Run! Don't stay here...

The curse, the curse!

I was living a nightmare...

I felt like a prisoner...
