

Sexxx Beast

Written by Buzz McCoy & Groovie Mann

Published by SleazeBox Music / BMI

Vocals - Viva Nova

Keys & Programming - Buzz McCoy

Haven't we met before?

Ooh! Ooh!

Between the sheets

I play for keeps

Bodies writhe, our sweat turns sweet

Feed my fever, release the beast

Between the sheets *(laugh)*

Passions heat

On more than flesh the carnal feast

Feed my fever, release the beast

Haven't we met before?

Ooh! Ooh!

Take me deep... release the beast
