Mmmwwwahh!

Meet me at the racetrack, Jack
Push your pedal to my metal
Meet me at the racetrack, Jack
Peel this sucker out!

Go! Go! Devil bunny
Go go, devil bunnies

Devil bunny, devil bunny
hahaha
Devil bunny, devil bunny

*He got jealous of all the attention guys paid me
Then he picked up an oil can and threw it at me
And told him that's crazy!*

*And then he predicted a double suicide
And he was going to do the same so he could be with me...
Then he picked up an oil can and threw it at me, almost knocked out my teeth
And I told him that's crazy, I've gotta race in 20 minutes!*

Devil bunny, devil bunny
Worlds greatest lover...
Devil bunny, devil bunny

*I'll give you a tune up you'll never forget,
If you give my husband some lessons for the bedroom!
Gosh you've got a dirty mind!
That's ridiculous!*

Go! Go! Devil bunny
Go go, devil bunnies
Meet me at the racetrack, Jack

And I told him that's crazy!
