Loved by all  
Inspired by none  
You are the star  
The scarlet son...

You are the star!

Hard, fast and beautiful, beautiful!  
Hard, fast and beautiful, alright! Go!

Action boy!  
Leather thrill, leather boy, oh  
Bare your skin, alright

Action boy, take me in  
Leather thrill, leather boy, oh  
Bare your skin, alright

Free and wild  
Sweet lost child
