I am what I am, and I'm on fire
And I hate you 'cuz you hate me
If you climbed inside my mind,
All you'd find is revolution

Come on, get in...

Jump into my Chevy, this time I'm gonna make it
Power-up the mainline, gonna ride it to Las Vegas
Breakin' all the rules, and I can feel, feel the hot blood risin'

Split-level sinners are yesterday's winners
I'm not like you, you won't change me
Just a holiday chaser in search of my destiny

Come on, get in...

Why don't you climb in?

Come on, get in...

Misfit believers and zodiac teasers
Shock baby skin games, surrender your soul
Flesh following arrows to avenues nowhere

Come on, get in...

Gonna ride it to Las Vegas
