*We believe in Satan and his power  
Our power is the power of the Devil!*

The holes in the wall  
I did every one of them  
Who's in your hands?  
Hating them all away

*Our power is the power of the Devil!*

Trashing the plans  
I did every one of them  
Smashing your hands  
The mouths that will laugh at them

The days they get longer  
The words they get stronger  
But still I don't miss you  
The ways that you say that  
The things that you say  
Still I don't miss you

I don't miss you...  
I don't miss you...

*Lucifer, Oh Lucifer!  
Lucifer, Oh Lucifer!*

I miss you...  
I miss you...  
*Lucifer, Oh Lucifer!  
Lucifer, Oh Lucifer!*

Get out your heavy metal, play it loud for the Devil, *hey!*  
Get out your heavy metal, play it loud for the Devil, *hey!*

Get out your heavy metal, play it loud for the Devil...  
Play it loud for the Devil  
Play it loud for the Devil... For the Devil, for the Devil... Devil

The holes in the wall  
I did every one of them  
Smashing the plants  
The mouths that will laugh at them

*We believe in Satan and his power  
That he will show himself to us on this night*

Get out your heavy metal, play it loud for the Devil!  
*Hey!*
