You gotta do all the drugs

You gotta be able to tell your parents to screw off and go out and live off the streets

China DeSade, China lust
Super highway living
China DeSade, China lust
I need the flesh you're giving

I was doing it because I was angry

I was doing it to feel the pain

China DeSade, China lust
Super highway living
China DeSade, China lust
I need the flesh you're giving

Play to the hands of a psychotic fool
China's so cool
Deceiving and cold in her nocturnal mood
China grooves

Bleed if you will your criminal style
China wild
Undress and possess, let them die by the rule
Yeah China you're cruel

I was doing it because I was angry

I was doing it to feel the pain

They want to blame it on something else

They want to blame it on Satanism

They want to blame it on the music, the way we dress

The people we hang out with...

China DeSade, China lust
Super highway living
China DeSade, China lust
I need the flesh you're giving

Bleed if you will your victims of trust
China lust
Bitch goddess bite blonde velvet dust
China lust

Bleed if you will your criminal style
China wild
Undress and possess, let them die by the rule
Yeah China you're cruel

Eyes full of wild China DeSade
Super highway living
Eyes full of wild China lust
I need the flesh you're giving

Eyes full of wild China DeSade
Hey, hey, yeah-yeah-yeah
