What's the matter, don't you like it?

Shut up slut!

Won't you shake that thing!

Freaky Fever's comin' over me

Freaky Fever's in my soul

Freaky Fever's got a hold of me

Freaky Fever's got control

What's the matter, don't you like it?

Won't you shake that thing

Won't you shake that thing, shake that thing

Won't you shake that thing

Freaky Fever

Shake that thing!
