*There are a lot of people who practise independent satanic rituals*

*There are just some, uh, eccentric housewives,*

*trying to imagine the devil under every bed*

*The potential does exist,*

*that some will get involved with a dangerous kult group*

Thrill Kill Kult

*America's most dangerous kult*

She is equipped with revenge

The tempter, the bad Mary

Lovers and killers, lovers and killers, lovers and killers of Christ

She is equipped with revenge

Mendacity

The tempter, the bad Mary

Mendacity

Lovers and killers, lovers and killers, lovers and killers of Christ

Mendacity

All mighty queen love

(in the deadliest season, in the deadliest season for teenagers)

Abused eyes open to love

It's the deadliest season for teenagers

Thrill Kill, Thrill Kill, Thrill Kill Kult

Teenagers!

(in the deadliest season, in the deadliest season for teenagers)

She is equipped with revenge

The tempter, the bad Mary

They love her and kill her, they love her and kill her,

They love her and kill her, oh Christ

Lovers and killers, lovers and killers,

Lovers and killers of Christ
