Slow down and talk to me baby, you're drivin' just a little too fast
Just like your motor, I'm ready, hot and built to last
Hell, if cruisin' is your poison, let me cruise ya
I'll take ya far away, I never wanna lose ya
Come walk with me baby, I'm headin' to the otherside
How far ya goin'?

Look at ya baby, are you hungry for a place to feed?
Like a rebel with no action needs a devil's satisfaction for speed
If power is the passion that controls ya,
Drag your passion over here I wanna overload ya
Come walk with me baby, i'm headin' to the otherside
Here we go!

Talk to me baby, you're drivin' just a little too fast
Just like your motor, I'm ready, hot and built to last
Hell, if cruisin' is your poison let me cruise ya
I'll take ya far away, I never wanna lose ya
Come walk with me baby, I'm headin' to the other
Come walk with me baby, I'm headin' to the other
Come walk with me baby, I'm headin' to the otherside
Let's go for a walk!

Look at ya baby, are you hungry for a place to feed?

Don't I even deserve a good-night kiss?
