Rivers Of Blood, Years Of Darkness

F-F-F-Fuck you - get it now!

Do as you're told with the weapons of the world  
Do as you're told, my stories are strange  
Do as you're told with the weapons of the world  
Do as you're told, my life is stranger

Smile at it all, intoxicated we fall  
Into a mess of professional danger  
Smile at it all, intoxicated we fall  
Into a mess of irrational anger  
Rivers Of Blood  
Rivers Of Blood, Years Of Darkness

Do as you're told with the weapons of the world  
Do as you're told with the weapons of the world
