And this is what the devil does

You liars repent!

Satan!

Our Lord and Master!

You know I must be crazy, to show this as my way of living
I find that it's easy, cutting up the peices

G-G-G-Get outta here

Our Lord and Master

This man say I have needed to mend my unholy life
I fall to my knees praying, i find it hard and easy

G-G-G-Get outta here

Our Lord and Master

My Life with the Thrill Kill Kult

And this is what the devil does

This man say I have needed to mend my unholy life
I fall to my knees praying, i find it hard and easy

And this is what the devil does

What are you trying to do drive me crazy?

I can't be anything except what I am!

Your liars repent!

Oh how i hate black

My life with the Thrill Kill Kult

Thrill Kill Kult...

And this is what the devil does
