I want you to come with me, I want you to come with me

Hey-yeah

Come with me, come with me

Visions sweep away the tears and knots that bound our paper souls
Beyond strange love we shall go
Where silly midnight flowers bloom in her kaleidoscopic eyes
Wild as lilacs dripping in wine

Ah-ah-ah-ah

Bathe in silence of her tomb
In her hand a silver spoon
Shattered days are here again

One last dance upon the steps of Hell
All lost children know her well
She's kissed the serpent thrice times twice

Feast upon the treasured afterglow
She speaks of life's eternal scrolls
In Ancient splendor we shall roam

Oh God help me
Come with me, come with me

One last dance upon the steps of Hell
All lost children know her well
She's kissed the serpent thrice times twice

Feast upon the treasured afterglow
She speaks of life's eternal scrolls
In ancient splendor we shall roam
In ancient splendor we will roam

Visions sweep away the tears
Thrice times twice
