Baby blue heart  
Where are you going now?  
Caged and sober in medicated candy land

You are the night bird  
You like it wild  
You walk the beat, but you ride in style  
Sleaze the moment  
Untie the rope  
Sweet night bird, you know the dope

Snake pit, mix-up  
Addict imitation  
Classic model  
Strutting down the neon drag

Sixteen and you're savage  
You're savaged and you're sixteen

Third rate, "yes" men  
Deadly smoking fate again  
Crush head, king size  
Sinderella Pussie cries...

*Goodbye. It was nice meeting you...*
