Join the Children of Hell

Hey, hey, hey, yeah...
Hypnotic mouth talks on fantasy phone
Sanitarium borderline
Gone today and here tomorrow
Killed his taste for switchblades
Killed his taste for switchblades

Oo-oo-oo, hey-yeah...
Locked in our room reliving old movies
How she adores them, oh how she adores him
Gone today and here tomorrow
Killed her taste for switchblades
Killed her taste for switchblades

Join the Children of Hell

You guys, I don't hear any noise!
Are you sure you're doing right?

Hey-hey hey ow!

Where is our pill-crazed brother?

Join the Children of Hell

It's only real when it's dark
