

The Alyssia Dominguez Band Bio

With the release of her new album, *Dance with Me*, Alyssia Dominguez is bringing a new flair to country music by infusing a touch of her Hispanic roots. Growing up in a family deeply rooted in traditional Tejano music, Alyssia was always destined to be a musician.

Alyssia began performing at local venues at the age of fifteen. Eight years later, the list of stages where she has performed now includes the Wisconsin State Fair, Summerfest, Turner Hall Ballroom, and many others. She has opened for touring acts such as Smithfield, Gunnar and the Grizzly Boys, and Dillon Carmichael.

Now, Alyssia has created an entirely new band to bring her unique style to her fans. By bringing together some of the area's best musicians, her fusion of Country and Latin music will be coming to a stage near you.
