

MECHINE

mechine mechine  
you make your way  
Onto my scene and  
We Stream we stream we stream  
mechine

*(from screen to stream you type what I mean)*

mechine mechine  
you become  
part of my scene  
I get Typed into your meme  
Mm Mechine

*( whispered scream in a hybrid dream)*

Tossed into your meme  
A cypher in your dream  
A whisper in a scream  
A hybrid bbb being.

*(In the age of the screen you take what I mean)*

mechine mechine  
You take what I mean and  
make me a meme  
In the age of the screen  
mechine

You make me

Mechiiiiiiiine  
I see you through my screen  
You take me down hallways like a dream  
Your messages always seem  
to to!

mechine mechine  
you make a play out of our scene and  
we stream we stream  
we stream mechine

*(Type in-screen to becoming your meme)*

mechine mechine  
you become part of my scene  
I m a hybrid scene  
In a typed up meme  
mechine

*(super me in a hyperbeam)*

Tossed into your beam  
A cypher I'm a meme  
A symbol on a screen  
A hybrid scene!

*(you take what I mean and make me a dream)*

mechine mechine  
You take what I mean and  
make me a dream  
In the age of the screen  
mechine

You make me

Mechiiiiiiiine  
You see me through my screen  
You take me down hallways like a dream  
Your messages always seem  
to to!

You!  
You put me on a line  
You spin me into time  
You put me on a line  
Spin me into time!

Mechine we stream we stream we stream  
we stream we stream we stream we stream  
We stream! Mechine!

*(I'm a hyperstream in a whispered scene)*

This twisted dream  
Is a whispered scream  
you spin my world to a cipher green  
Mechine

*(ageless bits in a cypherscene)*

Tossed into your beam  
On ageless bits we stream  
A whisper in a screen  
A hybrid being!

*(In the age of the screen you take what I  
mean)*

In a hybrid dream  
you take what I mean and  
Make me a dream  
In the age of the screen  
Mechine

*(You Meme me u stream me  
You Meme me u stream me)*

As a Whispered scream in a cipher dream  
To our Friends and lovers and bits under  
cover  
And a Cypher dream in a whispered scream  
Our pieces release to the Unknown others

Friends and mothers who flow under cover  
To those who we share our relates and  
discovers  
Our hates and none others  
U meme us u stream us  
And make us all others  
All others

All others  
Oooww rrrrooppow

As a whispered scream in a cypher dream  
To our friends and lovers  
And bits undercover

Friends and mothers who flow undercover  
To those who share  
Our relates and discovers
