

TIME FOR A CHANGE

It's time
it's time
for a change
Its time
It's time
For a change

When they tell you
those crazy lies
then look
into your eyes
Say hello
to yourself
and know
No it is time

you are the key
to the one
you set free

Yea!!

When they tell you
Those Stupid lies
look into your eyes
Say hello
to yourself
and know
know it is time

Roll your bones
walk on your own
Open the box
and play a new game
Open the gate
Step to the plate
Drop the dime
Walk the line

you are the key
to the one
you set free

It's time
for a change
