

## SATURDAY

I'm swinging on your rope  
tyin up my hope  
that Saturday  
I'll be going out with you

Just walk on baby  
walk on my love  
ssso long baby  
so long to love!

For now I'm sitting on my hands  
you're really in command  
cause I really really want to go out with you

It's a joy  
this pain  
swingin on your rope again  
and again and again and again and again

you got a nice butt  
put a kink in my strut  
I got a major thing  
For wantin just to be with you

I might not see you then  
oh no  
you tell me  
you're busy  
but I know  
you like him  
oh yeah  
and him and him and him and him

So now I'm setting up my dates  
trying to replace  
your beauty and your charm  
with a steady date.

No maybes in my ear  
just come on over here  
I want I want I wanna  
Go out with you
