

## BABY BLUE

Guess I got what I deserved  
Kept you waiting there too long, my love  
All that time, without a word  
Didn't know you'd think that I'd forget or I'd regret

The special love I have for you  
My baby blue

All the days became so long  
Did you really think I'd do you wrong?  
Dixie, when I let you go  
Thought you'd realize that I would know, I would show

The special love I have for you  
My baby blue

What can I do, what can I say?  
Except that I want you by my side  
How can I show you? Show me a way  
Don't you know the times I've tried?

Guess that's all I have to say  
Except the feeling just gets stronger everyday  
Just one thing before I go  
Take good care baby, let me know, let it grow  
The special love you have for me  
My Dixie dear
