

Mr. Antonov;

Thank you for your coming. I have learned a lot from you. You teach me that I have to sit straight, and told me the important of using metronome. Now, when I am practicing I remember to sing my music. I think this really can help me to play my music more pretty. Because of my poor English, I cannot explain how thankful that I feel. But I really want to say thank you to you from the bottom of my heart.

Sincerely,

HOU SI WONG
