To Whom It May Concern,

My name is Marcos Martinez and I am the President of the Santa Rosa Baseball/Softball League located in the City of San Fernando. I would like to share with you a bit about our league. We are an organization, which provides local youth the opportunity to learn and practice baseball/softball fundamentals. Our organization is made up of volunteers who give of their time endlessly. Our league solely depends on the participation from parents, friends, family members and sponsor like you to help with managing, coaching, fundraising, and many other projects. We do this to benefit ALL of SRBL children.

Within our neighboring cities, Sylmar, Panorama City, Lake View Terrace, Pacoima, Arleta, North Hills, Mission Hills, and Granada Hills our league membership is open to anyone regardless of race, creed, color or sex. In our ongoing efforts to create a safe environment for boys and girls in our community, we find it necessary to ask for the support of our local businesses to assist us.

Your generous donation will be put to work in many ways. We offer a Scholarship Program which is granted to boys and girls whom otherwise could not afford to play ball. Equipment for the league will be also purchased or monies can be allocated to help meet the leagues financial responsibilities through out the year.

Please feel free to contact me with any specific questions relating to your donation at (818) 331-5209.

In closing, I would like to THANK YOU and all responsible parties in support of our ongoing effort to create a safe haven for the youth in our community who would otherwise be out roaming the streets. Without the assistance of community members like you, we would not be able to meet our goal of offering today's youth an alternative to drugs and gangs.

Sincerely,

Marcos Martinez
League President
