We use an IEM system with splitter out to 8 channel snake to your junction. We will plug all inputs into our splitter, and a 50 foot snake with fan tails go to you. Mic'ing for drumset does not go through us at all. We handle our own drum mics for IEMS. You have your drums mics for FOH.

Drummer vox and lead vocalist bring their own vocal mics and stands. Guitar vox and Bass vox need venue mics and stands.
